DESDE 1972

Flyer from our opening in 1972

Confeitaria Petúlia was founded on May 25, 1972, by Ilídio and Maria Amélia Pinto.

More than five decades later, Petúlia remains in the hands of the family, faithful to the same way of doing things: **with care, precision, and quiet discipline**.

Over the years, Petúlia has become part of Porto's daily life, a place people return to for the things that have not changed.

Awarded the **Gold Medal of Merit** by the City of Porto, it is now listed among the city's **Historic Shops**.

Petúlia's Bolo-Rei is a reference in the city of Porto.

Traditionally associated with Christmas in Portugal, at Petúlia it is prepared **every day of the year**, not simply as a seasonal speciality, but as one of our defining products.

Its character comes from careful craftsmanship and a light, aromatic dough, enriched with candied fruits, nuts, Port wine and a touch of brandy.

A balance that cannot be fully explained, only recognized.

The Francesinha is one of Porto's defining dishes.

At **Petúlia**, it is served in its traditional form: toasted bread layered with different meats, melted cheese and a rich, slightly spicy sauce.

Available with beef steak or pork loin, both versions preserve the character of the traditional Francesinha.
